Kala soocida qashinka waa mid haboon oo sahlan

Anaga oo ah shirkadda qashin qaadista ee degmadaada, waxa aanu masuul ka nahay in aanu xaqiijino in qashinka ka soo baxa gurigaaga maalin kasta la ururiyo loona qaado si sax ah.

Afar weel oo weelashada qashinka ah ayaa waa qasab ah!

Waxaanu ku siinaynaa afar weel oo kala duwan si aad si fudud oo habboon ugu rido qashinkaaga sida tooska ah uga soo baxa gurigaaga: weelka qashinka haraaga ah, weelka qashinka dabiiciga ah, weelka qashinka waraaqaha iyo weelka qashinka dib loo warshadayn karo. Xeerka maareynta dib u warshadaynta qashinka ee magaalada Wiesbaden wuxuu kugu waajabinayaa inaad qashinka kala soocdo oo aad si gooni-gooni ah ugu riddo weelasha. Intaa waxaa dheer, waxaad isticmaali kartaa afarteena xarumood ee dib-u-warshadaynta qashinka, adeegga qashinka aadka u badan, aqbalaadda qashinka khatarta yar leh, adeega warwareega ee uruurinta qashinka khatarta ah iyo weelasha badan ee lagu rido dhalooyinka la isticmaalay iyo dharka la isticmaalay si loogu tuuro weelka qashinka ee ku habboon.

Kharashaadka qaadista qashinka Wiesbaden waa yar yahay!

Waxaan sameynaa wax kasta oo aan awoodno si aan u yareyno khidmadaha qaadista qashinka. Habkayaga shaqada ee qiimaha yar ayaa xaqiijinaya inaan nahay mid ka mid ah magaalooyinka Jarmalka ee bixiya saami wanaagsan oo qiimaha/waxqabadka marka laga hadlayo khidmadaha qaadista qashinka. Waxay sii ahaanaysaa sidaas! Caadiyan, khidmadaha qaadista qashinkaaga waxay ku salaysan yihiin xajmiga iyo soo noqnoqodka faaruqinta ee qashinka hadhaaga ah. Tuurista qashinka waraaqaha ah, qashinka dabiiciga ah iyo alaabta dib loo warshadayn karo

ayaa durba ku jira kharashka – maadaama uu yahay isticmaalka dhammaan adeegyada kale ee qoysaska gaarka loo leeyahay.

Dib-u-warshadaynta qashinka waxa ka dhigan tahay ilaalinta kheyraadka.

Aan wada ilaalino deegaanka. Ka faa'iidayso adeegyada ururinta qashinka ee goonida ah.

Bogagga soo socda waxaad ka heli doontaa dhammaan macluumaadka muhiimka ah ee ku saabsan sida saxda ah ee qashinka loo tuuro.
